PERSONAL STATEMENT

With a keen eye for database optimization and a commitment to excellence, adept in designing and managing database systems, driving efficiency and innovation for organizational success.

WORK EXPERIENCE

Database Management Intern

Alpha Corporation | 2022

Assisted senior database managers at Alpha Corporation in the design and implementation of database systems, gaining hands-on experience in SQL and database optimization techniques. Conducted data analysis and generated reports to support decision-making processes, contributing to improved operational efficiency.

Junior Database Administrator

ABC Solutions | 2023

Supported senior database administrators at ABC Solutions in maintaining and updating database systems to ensure optimal performance and data integrity. Implemented backup and recovery procedures to safeguard critical data, reducing the risk of data loss in the event of system failures. Assisted in database migrations and upgrades at ABC Solutions, contributing to seamless transitions and minimal disruption to business operations.
